COLOUR COMPOSITION AVAILABLE

You can choose from the different colours listed below at no extra charge.

RAL 9010

* The sink of the composition can be right or left.
Minimum order 2 compositions.
Handle colours to be chosen from the ASTRA colour collection.
Prices include standard packaging. Transport and VAT excluded.

HINGES

Steel hinges with galvanic copper and nickel coating, with three adjustments, guaranteed resistance to 120,000 opening-closing cycles. 110° opening as standard and 180° for greater convenience.

HANDLES

Handles in painted or anodised aluminium profile, with minimalist contoured design.
Standard colours as per our colour chart referring to the dental unit colours of the main manufacturers.

SUSPENSIONS

The cabinets are raised from the floor by 177 mm via frame to make room cleaning easier. The feet are easily adjustable from inside the cabinet and are protected by an aluminium cover with a polished chrome finish.

LCF

White porcelain sink with oval shape, integrated worktop and perimeter bowl complete with mixer hole.

GLASS

Glass sink made of cast glass with a soft, circular shape, worktop and sink appear as a single body painted the same colour, with paints that guarantee perfect durability.
